

Certificate**Access Certified Partner**

MINUSINES S.A.
8, rue François Hogenberg
L-1735 LUXEMBOURG

Access Certified Partners are authorized to comprehensively plan, set up and commission the Siedle Access System. They are distinguished by their specialist knowledge of KNX, network and IP technology including VoIP telephone systems. The certification requirements are continuously updated and complied with through regular participation in refresher and advanced training courses. The special qualification of Access Certified Partners has been verified on the basis of independent auditing by TÜV Süd Management GmbH.
