

JOIN OUR TEAM

WE HIRE AN ICT SYSTEM ENGINEER

As a System Engineer at Minusines you will be an integral part of our ICT Team to maintain as well as optimize the current and future IT Infrastructure. You will provide support to internal Users as well as be in contact with third party suppliers for technical integrations. As part of your role you will ensure the stability, scalability and availability of the Minusines IT Infrastructure. You will be a key part to assist on the integration, development and provide guidance based on your technical knowledge for the future digital age of the Company.

RESPONSIBILITIES

- As part of the team, you will work on the continuous enhancement and evolution of the Infrastructure landscape
- You will actively participate in local and global projects within the company
- Increase the infrastructure availability by proactive server maintenance, log checks and monitoring improvements
- You will provide ongoing administration and support of our systems and underlying applications & services
- Continuous automation improvement of processes and tasks
- You will ensure the creation of documentations and processes including server deployment and updating
- You will perform continuous server updating and patching including validation and follow-up (WSUS)
- You will be part of our ERP upgrade project to Dynamics Business Central 23
- You will provide support to internal Users as well as be in contact with third party supplier for technical integrations

QUALIFICATIONS

- You have a at least 5 years of work experience in IT administration
- You have strong knowledge of:
 - Windows Server 2019 – 2022
 - Active Directory, DNS, File Services (DFS, DeDup) and GPO
 - Entra ID (Azure Active Directory)
 - Exchange Online
 - Scripting (PowerShell), Phyton is an advantage
 - VMWare
- You have a good working experience in:
 - MS Office 365 administration
 - MS SQL Server
 - IT-Service Delivery Processes
 - Backup Solutions
 - Networking and Routing
 - Network Security and VPN are an advantage
- You have verbal and written communications skills in German and English. Any other language would be an advantage
- You have the ability to build constructive and effective relationships
- You are a team player and be able to demonstrate excellent interpersonal skills
- You are capable of being self-motivated and like to take ownership

YOUR PROSPECTS

- High job stability and the opportunity for further development
- Independent work with short decision-making paths
- A multicultural working environment that promotes diversity and inclusion
- A competitive salary and other company benefits
- You can become part of a solid and dynamic company

If you are interested, please send a curriculum vitae and a letter of motivation to hr@minusines.lu

We look forward to receiving your application!
